Semester 1	CPET 100: Colloquium I	1 cr
Semester 2	CPET 101: Colloquium II (DSSP, DVUP)	3 cr
Semester 3	CPET 200: Colloquium III	1 cr
Semester 4	CPET 230: Internship; or CPET 240: Service-Learning; or CPET 250: Research	1-3 cr
Semester 1, 2, 3, or 4	Supporting Course (var. Gen Ed)	3 cr
	Supporting Course (var. Gen Ed)	3 cr

Supporting Courses

- Select from list of approved courses (see below)
- Two courses (6 credits)
- Students are encouraged to enroll in supporting courses outside of their majors.
- Students may petition an alternative course to the ETE program director. Such a petition must explain how the course will deepen the student's understanding of sustainable development and how learning in ETE will enrich understanding of the petitioned course.
- A special exception will be granted for an AP Environmental Science score of 4 or higher. This transfer credit is not directly associated with a specific comparable course at the University of Maryland, but students will receive general credit for a Distributive Studies – Natural Sciences course. Students in IB programs should discuss appropriate courses with the director and may be awarded credit on a case by case basis.

Environment, Technology and Economy First-Semester Advising Guide Fall 2024

Scholars in ETE must register for the following:

1. College Park Scholars Colloquium I

CPET 100 Section 0101 Thurs. 4:10-5:30 1 Credit

2. Supporting Course (optional for first semester)

Please see the list of approved supporting courses. Students are encouraged to register for at least one supporting course in the first semester.

*Note: students enrolling in **ENGL101** for the first semester are encouraged to select a Scholars-only section, designated **ENGL101S**. These meet in the Cambridge Community Center and provide the opportunity to complete a course with peers in other Scholars programs.*
